Dear Prospective Member,

Thank you for your interest in the American Association of University Women. We are the oldest and largest women's organization in the country with a focus on education and equity for all women and girls. You will find membership in AAUW to be rewarding, stimulating and fun.

Since 1881 AAUW has been a leader in fostering gender equity in the classroom, exploring work and family issues, fighting sex discrimination, protecting reproductive rights, providing educational fellowships and grants, and opening graduate education for women.

The Morgan Hill AAUW branch was formed in 1981 and has over 150 members. We offer opportunities for personal growth, leadership development and friendships through our monthly programs, community activities and a variety of interest groups. We encourage all members to help with the annual Wildflower Run, which raises money for Association fellowships and grants, as well as local area scholarships. We also support Tech Trek, a math/science camp for middle school girls, and voter education.

Current interest groups include evening and afternoon books, movies, bicycling, hiking, gourmet, cultural outings, restaurant dining, and much more. (See the attached description of our interest groups.) We are always open to suggestions for new interest groups.

Dues are \$81 for the 2009-2010 membership year, which includes \$49 Association dues, \$16 California State dues, and \$16 Branch dues. The membership year is July 1st – June 30th.

If you would like to join us, please mail the following to me..
