

GEMS* Workshop Day at Cañada College

Saturday, September 19, 2009

Sponsored by the Morgan Hill branch of AAUW

*For All *Girls Engaged in Math and Science*

Based on the overwhelming success of last year's robotics and science sessions at Redwood City's Cañada College, we will return for extended workshops on Saturday, September 19. The hands-on activities will take place from 10AM-2:30PM. We will have lunch with faculty on campus between the two sessions.

- Robotics workshop
- Forensics workshop
- Network and converse with college faculty members
- Eat lunch on campus (provided by the Science & Technology Division of the college)

Please meet at 9:00AM at the Morgan Hill Caltrain parking lot (southwest corner, *immediately* behind the Skate Park fence). From Caltrain, we will carpool to Cañada College.

When: Saturday, September 19nd

Time: 9:00 AM-3:30 PM

Where: Cañada College, 4200 Farm Hill Blvd., Redwood City

Please RSVP To: Susan Oldham-Fritts, 782-0452, sofritts@garlic.com by 9/4/09

Future Events:

Our October event will be the National Chemistry Week activity. The theme this year is "It's Elemental." Other activities in the planning stage are a visit to NASA-Ames to view a LUNAR model rocket launch, field trips to the Coyote Creek Outdoor Classroom, De Anza Planetarium, and the Tech Museum, tours and career talks at a high technology company and laboratory, and volunteer opportunities at the Math Mardi Gras, Wildflower Run, and Habitat for Humanity. (You need to be at least 16 years of age for the Habitat for Humanity work day.)

Stay tuned for details.
